REQUIRED INFORMATION

Please submit the following information as an attachment to this application:

- A policy statement expressing a commitment by your agency to use MBEs in all aspects of procurement.
- Your agency’s plan to solicit for certified minority vendors in the commodity categories defined below. A current list of certified MBEs can be found at <http://smbcc.sc.gov/directory.html>.
- Procedures to be used when it is necessary to divide total project requirements into smaller tasks to permit increased MBE participation.
- Procedures to be used when subcontracting a scope of service to another governmental body.
- An explanation of how your agency calculated its controllable dollars.
