Services: DEI Directive helps organizations quickly assess and diagnose their Diversity Equity and Inclusion (DEI) health, proactively identifying key problem areas across various business processes, and applying targeted solutions that will result in transformative change. To do this, we provide the following services. Diversity, Equity & Inclusion Software- Our proprietary software powered by artificial intelligence provides organizations access to unmatched workplace DEI data so they can:

quickly assess the DEI landscape within your organization

benchmark against industry, state of national averages

use quantitative and qualitative methods to set baseline for the organization, then monitor progress of effort over time

take more collaborative and proactive approach toward compliance

DEI Consulting Services- Includes:

Internal Assessment- 40% of Fortune 500 companies will cease to exist in 10 years. Innovation fashioned out of great insight is key to survival. DEI Directive can help you assess the DEI status quo at your organization, contextualizing failure and successes of past initiatives, and propelling your team to new heights. As part of this effort, we survey the workforce, conduct one on one interviews; focus group sessions, as well as embark on other fact finding activities that provide great insight that will inform strategic decision.

Discovery & Strategic Planning Workshops- In an ever evolving business environment, we can help you build for the future and fortify your organization. Let us help you conceptualize and crystalized your desired DEI goals, align it with the organization's vision and mission, and tightly weave it into your organization's core values, mapping out detailed next steps to successfully execute.

DEI Training and Coaching- Our goal is to help you raise the overall awareness levels of your workforce, as a means of fostering a more inclusive culture. Our training helps employees understand the organization's overall DEI mission, what their roles are in executing on that mission, and how to drive impact through actions, every single day.

Services: Gravity Counseling Group offers a comprehensive range of mental health services tailored to meet the diverse needs of individuals, families, and organizations. Our experienced therapists provide individual, family, and couples therapy, offering compassionate support and evidence-based interventions to address a variety of mental health concerns. We conduct thorough mental health assessments to ensure personalized treatment plans that meet each client's unique needs and goals.

In addition to therapy, we provide specialized mental health services to individuals in substance abuse, rehabilitation, and halfway houses. Other specialized services include anger management and batterer's intervention that utilize evidence-based techniques to promote healthy coping mechanisms and prevent further harm. We also facilitate support and wellness groups for individuals to connect, share experiences, and learn coping strategies.

We create and facilitate customized curriculums for youth and adults that is centered around social and emotional learning. These curriculums are often presented at conferences, seminars and in special request workshops. They include essential life skills, such as communication, emotional regulation, and stress management. Our team includes writers and speakers who offer engaging presentations, host podcasts, and lead keynote addresses aimed at inspiring and empowering audiences.

We offer personal development training within workplace environments to promote professional growth among staff. We offer life coaching to empower individuals to achieve their full potential and thrive in both their personal and professional lives.

Furthermore, we offer internship opportunities for students enrolled in local universities, community colleges, and graduate programs, providing valuable hands-on experience and mentorship in the field of mental health. Through our comprehensive range of services, Gravity Counseling Group is committed to promoting healing, growth, and resilience in individuals, families, and communities alike.

Services: Our Healthcare Market is in great need for adequate and proficient staffing more than ever. Employment in the Healthcare Occupations is projected to grow 16 percent from 2020-2030, much faster than the average for all occupations, adding 2.6 million new jobs. Healthcare occupations are projected to add more jobs than any of the other occupational groups. Preparation Meets Opportunity Nurse Staffing Firm (PMO Careers) is a licensed Nurse Staffing Firm that provides quality nurses to healthcare facilities such as doctor's offices, nursing homes, LTC facilities, government state agencies, etc. PMO is located at 1122 Lady Street in the metropolitan area of Columbia, South Carolina. We have been able to acquire a standard facility that is highly suitable for the kind of nurse staffing business we plan operate. PMO provides services that contribute to the growth of our nurses in continuing education through multiple certifications. This helps to empower the nurse professional. We also aid in the growth of other businesses through partnerships and collaboration assistance in payroll services, background check services and other partnerships for a better community overall. Let Preparation Meets Opportunity be your choice in helping your business thrive.
