Services: DEI Directive helps organizations quickly assess and diagnose their Diversity Equity and Inclusion (DEI) health, proactively identifying key problem areas across various business processes, and applying targeted solutions that will result in transformative change. To do this, we provide the following services. Diversity, Equity & Inclusion Software- Our proprietary software powered by artificial intelligence provides organizations access to unmatched workplace DEI data so they can: quickly assess the DEI landscape within your organization benchmark against industry, state of national averages use quantitative and qualitative methods to set baseline for the organization, then monitor progress of effort over time take more collaborative and proactive approach toward compliance DEI Consulting Services- Includes: Internal Assessment- 40% of Fortune 500 companies will cease to exist in 10 years. Innovation fashioned out of great insight is key to survival. DEI Directive can help you assess the DEI status quo at your organization, contextualizing failure and successes of past initiatives, and propelling your team to new heights. As part of this effort, we survey the workforce, conduct one on one interviews; focus group sessions, as well as embark on other fact finding activities that provide great insight that will inform strategic decision. Discovery & Strategic Planning Workshops- In an ever evolving business environment, we can help you build for the future and fortify your organization. Let us help you conceptualize and crystalized your desired DEI goals, align it with the organization's vision and mission, and tightly weave it into your organization's core values, mapping out detailed next steps to successfully execute. DEI Training and Coaching- Our goal is to help you raise the overall awareness levels of your workforce, as a means of fostering a more inclusive culture. Our training helps employees understand the organization's overall DEI mission, what their roles are in executing on that mission, and how to drive impact through actions, every single day. Services: Asa licensed health, life, and accident insurance broker, I play a crucial role in the community by providing individuals and families with access to essential insurance coverage. I have in-depth knowledge of various insurance products and services. I help clients understand their insurance needs and compare different policies from multiple insurers, and select the most suitable coverage based on their health and budget. I play a vital role in assisting clients with claims and ensuring they receive the benefits they are entitled to under their policies. I act as intermediary between insurance companies and clients, providing personalized advice and guidance throughout the insurance process. In the community, as a licensed insurance broker I contribute to the overall well-being of individuals and families by helping them protect their health, financial security, and assets against unexpected events such as illness, injury, or death. My expertise and guidance are invaluable in navigating the complex world of insurance and making informed decisions that best meet the needs of their clients.

Services: Our Healthcare Market is in great need for adequate and proficient staffing more than ever. Employment in the Healthcare Occupations is projected to grow 16 percent from 2020-2030, much faster than the average for all occupations, adding 2.6 million new jobs. Healthcare occupations are projected to add more jobs than any of the other occupational groups. Preparation Meets Opportunity Nurse Staffing Firm (PMO Careers) is a licensed Nurse Staffing Firm that provides quality nurses to healthcare facilities such as doctor's offices, nursing homes, LTC facilities, government state agencies, etc. PMO is located at 1122 Lady Street in the metropolitan area of Columbia, South Carolina. We have been able to acquire a standard facility that is highly suitable for the kind of nurse staffing business we plan operate. PMO provides services that contribute to the growth of our nurses in continuing education through multiple certifications. This helps to empower the nurse professional. We also aid in the growth of other businesses through partnerships and collaboration assistance in payroll services, background check services and other partnerships for a better community overall. Let Preparation Meets Opportunity be your choice in helping your business thrive. NAICS # 561311 561600 541200 611000
